RESIDENT PROFILE

Jean Marilyn King was born on July 27, 1928. A graduate of Regis College, Jean became fluent in French. She married Donald T. King and the couple shared more than 53 years together. Jean has seven children: five boys and two girls, as well as 16 grandchildren and two great-grandchildren.

Jean was a faithful member of St. Bernard’s Church (now Holy Family) in Concord; she served as church organist for

43 years and was a very active choir member and director. She is very proud she was a Eucharistic Minister for a number of years and organized communion services at Concord Health Care once a month. Jean also helped to organize many trips for the parish. She and Don were themselves fortunate to travel to Ireland and Canada.

Jean taught piano lessons out of her home for more than 20 years. She also was a French tutor and a substitute teacher. Jean and Don were members of the Concord Community Players group and participated in stage shows. Jean loves music, telling jokes with Irish accents, family, neighbors, and good friends.

Jean’s kids refer to her as “Saint Jean” as she has always comported herself with the highest standards and she has earned respect from everyone who has ever known her.

COMMUNITY WELCOME!

CELEBRATING 9 WONDERFUL YEARS!

Since opening our doors nine years ago, Concord Park continues to be a vibrant facility full of wonderful and diverse residents and dedicated, caring associates as well as a community-oriented building. We are centrally located in the heart of the West Concord Village. Many of the staff are residents of Concord and involved in town events. We host meetings for various organizations and town committees, such as the West Concord Green Thumbs, the West Concord Task Force, the Public Ceremonies & Celebrations committee, the West Concord Family Festival, Concord's 375th Celebrations committee, the Concord Business Partnership, and educational and support groups such as the Liberty Alzheimer's Partnership and The Lions Club. As we begin our tenth year, it is our goal to stay a strong community asset and leader in caring for our seniors.
