RESIDENT PROFILE

Meet **Muriel Golding Cushing**, who was born August 8, 1915 in Dorchester. Muriel was the oldest of three, growing up in Dorchester with brother David and sister Sally. Muriel's mother was a dressmaker on Newbury Street and her father was a locksmith. Her cousin, Anna Mintz, was the first female dentist in Boston. Muriel graduated from Dorchester High School and worked at the Milton Ice Company as a

switchboard operator. She had lots of dates but it was when she went on a double date with her friend that she met her future husband, Arthur Cushing, who was actually her friend's date. Arthur and Muriel hit off right away.

Early in their marriage Arthur and Muriel lived in Mattapan and raised two boys, Alan and Jeffrey. Arthur started his own accounting firm and they bought a house in Milton. Muriel and Arthur loved to host family functions and they enjoyed traveling. They have been to Israel, Hawaii, and Puerto Rico.

Muriel instilled a love of music in her sons and as a result they are accomplished pianists. Alan now lives nearby in Acton, and Jeffrey lives in Stoughton. Jeffrey's daughter, Lynette, is going to Tufts University to become a dentist, and son, Adam, is in high school.

MEMORY WALK

We're on the move to end Alzheimer's! This month, associates, residents, and family members of all of Senior Living Residences' communities will participate in the various memory walks scheduled across the state. Memory Walk is the nation's largest event to raise awareness and funds for Alzheimer care, support and research—and it calls on people of all ages to take action.

Join us at the **Greater Boston Walk on September 26th**. Members of the Concord Park team will be doing the walk, which begins at 10:00 A.M. at Canal Park at the CambridgeSide Galleria in Cambridge. Please see any of our managers for more details! If you would like to make a donation, we are selling Forget-Me-Not flowers for \$1 each through the month of September.
