RESIDENT PROFILE

Phyllis Riley was born in 1916 and raised in Tyngsboro. She graduated from Bryant College in 1935 and married her husband, Herbert, in 1941. In 1947, the couple moved to Falmouth, where they raised three children and became prominent community members. The Rileys bought the Town House Restaurant on Main Street and became successful business owners. Phyllis was a member of the First Congregational Church of Falmouth and became the president of the Ladies Guild, the Falmouth Outlook Club, and the President's Club of the National Women's Club. She was also part of the original committee to raise funds to build Falmouth Hospital in the early 1960's. Phyllis retired in 1995 and enjoyed traveling in her Winnebago with Herbert. Phyllis says she liked to drive because "I was simply better at driving it than he was!" She is the proud grandmother of eight grandchildren and nine great-grandchildren and loves to visit with her "grandpuppy," Barkley, when her daughter Linda comes by.

ASSOCIATE PROFILE

Rhonda Leyden joined the Certified Nursing Assistant staff in January and has been a wonderful addition to our community. Rhonda was born and raised in Winthrop as one of four children. She was married at the age of 23 and she and her husband raised three sons. Family has always been very important to Rhonda, so she put her career on hold to raise her children before going to work as a CNA. She and her husband recently celebrated their 23rd wedding anniversary and are now the doting grandparents of their one and only granddaughter, Melody. Rhonda says that her family was always interested in music and her granddaughter's name seemed to "hit the right chord!" Rhonda has always enjoyed the elderly and has been working in assisted living communities for over a decade. Rhonda loves gourmet cooking, baking, shopping, and dancing. CCSR is lucky to have such a dedicated and enthusiastic associate!
