RESIDENT PROFILE

Eleanor (Muth) McCutcheon was born on December 24th, and as a kid didn't always like having her birthday so close to Christmas! Ellie lived in Los Angeles, California until she was about three, when her family moved to West Newton, Massachusetts. She graduated from Newton North High School, then went on to earn an associate's degree from Westbrook College, where she majored in retailing. Ellie worked in retail for some time, but found she enjoyed shopping more than selling! She pursued many other career endeavors, including modeling, which you might guess by looking at her photograph! She also enjoyed traveling, and has been to both France and Germany.

Ellie has two daughters who live nearby in Hyannis. She also has one grandson, and one granddaughter on the way, about which she is very excited. She joined us at CCSR in May 2009, and is very involved in many of our activities, especially cards and BINGO. Every month she is the first one to sign up for the shopping and lunch trip! Ellie also loves crafting (she makes handmade greeting cards which we sell in our community store), and reading Danielle Steele books.

WELCOME,
NEW
RESIDENT!

Virginia "Ginny" Morgan

ASSOCIATE PROFILES

Dining Room Associate **Ian Angell** is 15 years old and a sophomore at Falmouth High School. He was born in Springfield, Vermont, and moved to Falmouth in 1998. He has a brother who is 12 and a sister who is 9. Ian is on the honor roll at his school and particularly enjoys his history class, while his least favorite subjects include chemistry and math. In his free time, Ian enjoys playing video games, as well as snowboarding and wakeboarding. He is hoping to get his driver's license this year. Ian is possibly interested in pursuing a study of criminology or psychology when he gets older. He says that working at CCSR has made him more comfortable with elders.

Kitchen Utility Worker **Paul Cox** was born in Boston 21 years ago, and raised in Bourne. He is the second of three children. Paul graduated from Bourne High School in 2007 and he is now enrolled at Cape Cod Community College. He enjoys playing video games, working with others, and socializing. Paul is also the very proud uncle of his baby nephew, "TomTom!"
