RESIDENT PROFILE

Kathleen (Chadwick) Beaton is no stranger to southeastern Massachusetts, so crossing the bridge was no big deal when she moved to CCSR. Kathleen was born May 13, 1943 in Wareham and was raised in the waterfront village of Onset as the youngest of three girls. Kathleen graduated from Wareham High School in 1961, where she was voted "Most Musical." From there, she went on to attend Katharine Gibbs Secretarial School. She worked as an administrative assistant in the cranberry industry for over ten years. Kathleen was married and had two children, a son and daughter. She is now the proud grandmother of three children.

Kathleen has always been an involved Christian who has helped those in need. Further, she is a "survivor." You see, Kathleen was told 43 years ago that she would never walk again due to complications from Multiple Sclerosis. She never accepted this fate and hasn't missed a step since. Kathleen enjoys Cape Cod Senior Residences, especially the entertainment activities as she loves to sing! When not doing this she spends her time reading mystery novels. It is no mystery, however, why this unique, strong-willed woman has been a great addition to the community!

WELCOME,
NEW
RESIDENT!
