RESIDENT PROFILE

Thelma (Teddy) Murphy was born in 1921 and was raised in Rutledge, Vermont, where she lived for 86 years! Teddy is one of eight children. She remembers her house was always full of friends, relatives, and fun. All of her siblings have passed away, but she has many great memories.

One year after graduating high school (1939), Teddy married her high school sweetheart, with whom she raised two children. She worked in a photo lab for many years and retired in 1985. Teddy then became a foster grandparent for a Pre-K group at a Catholic school for eight years, which she absolutely loved! Sadly, Teddy's husband died in 1969 and her son in 1980.

It took four years of persuading, but finally Teddy's daughter convinced her to move to the Cape to be closer to family. Teddy had lived in the same apartment for 25 years and the same town for 86 years! Being closer to her family, however, has brought much joy to Teddy. In addition to her daughter and son-in-law, she has two grandsons and three great-grandchildren who live locally, and a granddaughter and two great-grandchildren who live in Arizona, whom she visits every year. She expresses much love and devotion to her family. Since arriving at CCSR three years ago, Teddy has made many friends. She enjoys bingo, cards, trivia, crafts and live entertainment. Teddy is truly an asset to our community!

ASSOCIATE PROFILES

Business Office Manager **Grace Smith** was the first associate hired at CCSR and began working here when the community was just a trailer in the parking lot! Ever since returning to the workforce after raising three sons, Grace has worked with seniors. She feels honored to be working for such wonderful and interesting

people. They brighten her day and never fail to make her smile. In addition to her three sons, she has three grandchildren and one on the way. In August Grace and her husband will celebrate their 40th wedding anniversary. She loves spending time on the island of Vieques off the coast of Puerto Rico.

Resident Care Director **Cathie Cox** has worked at CCSR for four years. Cathie says she loves her job so much that she plans on never getting another one, adding that her coworkers and residents are "the greatest!" She has worked with seniors for 34 years. her husband are currently grandparents of two girls and they enjoy cruising and traveling to Newport, Rhode Island on a regular basis.

CCSR 'PRICE IS RIGHT'

CCSR Price is Right is a popular new game in our community! Residents compete against one another and guess the price of various items. Whoever guesses closest to the retail price gets that item.

All items are 'resident' friendly (i.e., snacks & toiletries). At the end of the game everyone has a prize!

Clockwise, from top left: **Theresa Long**, **Gladys Oskey**, and **Chip Olcott** show off their winnings!
