RESIDENT PROFILE

Larry McDonald is a wonderful addition to Methuen Village. He has a great sense of humor and his laugh is contagious! Larry is a willing participant in many activities, from being a demonstrator for a Reiki massage treatment to a great partner in the card game 45's. He worked for 33 years in international sales for Gillette Company. He was born

in Lawrence and moved most recently from Salem, New Hampshire. Larry was very active in his parish, St. Joseph's Church, and is a former Eucharistic Minister. He enjoys the Rosary Club at Methuen Village and often leads the group. Larry was also a hospice volunteer for 10 years and received an award for his hospice work from the Chamber of Commerce. We are so happy he chose Methuen Village!

GIRL SCOUT VISIT

Who can resist Girl Scout cookies? Resident Alex LaCreta enjoyed our visit from Methuen Girl Scouts from the Forest Street Union Church.

ASSOCIATE OF THE MONTH

Caregiver **Sonia Aponte** is our associate of the month. Everyone knows Sonia as a hard worker who gets along great with residents and staff alike. She always has a smile on her face, and whenever there is music, she dances! Sonia is not only good at her craft, but she also has a personal rapport with all the residents. She makes herself aware of everything going on with every resident and with the community. If she doesn't know something, Sonia is willing to learn. She is also very devoted to her family. Sonia is an asset to Methuen Village and we want to congratulate her!
