RESIDENT PROFILE

Laurieta Crombie was born in Boston and grew up in Malden. After graduating, she worked at Kidder-Peabody in Boston.

In 1955, Laurieta married her husband Charlie, who served in the Army Air Corps in North Africa and then worked in electronics, sonar, and radar at the Boston Naval Shipyard. Laurieta and Charlie raised their four girls in Carlisle. She is very proud of them; three are engineers and they are all very smart. Laurie, Carol and Betsy live in Pepperell and Leeann lives in Wyndham, New Hampshire. Laurieta also has seven grandchildren.

After her husband died, Laurieta moved to Pepperell, but the girls didn't like her living alone and looked into assisted living. They knew Nashoba Park was the right place for Laurieta as soon as they walked in! Laurieta agrees, saying, “The women who help you are very nice. The people are friendly and the food is pretty good!” She goes to sittercise almost every day and enjoys all the entertainment programs.

WELCOME, NEW RESIDENT!

CNA **Shannon Arsenault** is originally from Leominster, and now lives in Sterling. She completed the Certified Nursing Assistant Program at Fisher College in 1993. She worked in long-term care for 14 years and did some private duty work before working in assisted living. Shannon says she loves working at Nashoba Park. "It is a totally different atmosphere [from long-term care] and I love

it here. Everyone is so nice; it's like a big family here!" Shannon has two sons, Benjamin (13), and Tyler (11). Her boyfriend, Jason, has three children: Emma (11), Jason (10), and Joey (9). The kids are all active in sports, so Shannon is always going to someone's game. She's a team mother for basketball and football teams.
