### RESIDENT PROFILE

Val (Robbins) Rapoza was born and raised in a lumber town in Pennsylvania, along with her sister and three brothers. She graduated from Canton High School in Pennsylvania, and then was employed as a clerk for the Civil Service. After getting married, Val became a stay-at-home-mom to her seven children: four boys and three girls. She and her husband raised their children in North Carolina and eventually moved to Bourne. Val is now a proud grandparent of seven! Val did a lot of sewing in the past, as well as embroidery and various types of needlework. She also enjoyed painting with oil and watercolors. Here at CCSR, Val likes to do crossword and jigsaw puzzles, tending to prefer individual projects to large group activities. Val is a participant in our walking group and loves visiting with her family!

### WELCOME, NEW RESIDENTS!

### CCSR FRIENDS

**Chip Olcott and Paul Bradley** enjoy some dinner and conversation!

## MASS-ALFA AWARD NOMINEES

Three of our outstanding associates were recently nominated for awards at the Massachusetts Assisted Living Facilities Association's annual dinner. *Left to right in photo:* Certified Nursing Assistant **Christine Ballard** always has a smile and a "cup half full" attitude, and is very detail oriented. Christine recently created a scrapbook of

CCSR's opening as a surprise Christmas gift for the community. Housekeeper **Jean Leahy** brings her one-of-a-kind humor and sense of compassion to all facets of her work at CCSR. She motivates her co-workers and the residents with her example of determination and commitment. Certified Nursing Assistant **Debbie Smith** sees the residents and associates as her family. She regularly volunteers to take residents to appointments or shopping on her days off. She is also known as the "cosmetologist in disguise," as she often takes the time to curl residents' hair or paint their nails to make them feel good. We are so fortunate to have these three amazing associates on our CCSR team!

## ROYAL WEDDING CELEBRATION

Residents gathered around to watch the Royal Wedding as William and Kate were married. The dining room was adorned with wedding photos of our residents and associates, as well as a delicious wedding cake prepared by Chef **Kevin Dellarciprete**. In keeping with the British theme, we also enjoyed tea and crumpets with mimosas!

## CINCO DE MAYO!

Chef **Kevin Dellarciprete** prepared authentic Mexican margaritas and homemade salsa and tortilla chips for our Cinco de Mayo celebration!

Residents also enjoyed music by Dan McCarthy.
