### RESIDENT PROFILE

Gladys (Knoespel) Oskey was born in Wisconsin, where she grew up on a dairy farm. She was the tenth child of 11, with seven brothers and three sisters. Gladys's family was very close. She now has two daughters of her own, plus four grandchildren, two great-grandchildren and one more on the way. This means that Gladys is constantly busy knitting hats and scarves for her family! She worked as a secretary for many years, and says she has always found enjoyment in life. Gladys always liked to sew, golf, and dance, especially the polka. She also loves to follow baseball, basketball, and football, especially the Green Bay Packers! Gladys fondly remembers playing a card game called "Sheephead," and she enjoys playing cards at CCSR as well as playing Bingo. She likes that everyone is very friendly and she has made many friends here. Her three favorite places to visit are London, Germany, and Wisconsin.

Dining Services Associate **Roberta Halstead** was born in New Bedford, but has spent most of her life on Cape Cod. Believe it or not, she has four daughters and one grandson! Roberta studied and taught classical ballet for 35 years (which explains her impromptu pirouettes in the dining room)! Roberta loves to dance, but admits she cannot sing a note. For 17 years Roberta has also been a bartender at a Cape institution—Paul’s Pizza in Falmouth.

She says she loves working with the elderly because they offer her a lot of wisdom.
