RESIDENT PROFILE

Tamara A. Bethel (Terry) was born in Granville, New York and also lived in Vermont and Westboro, Massachusetts. In fact, it was through a referral from a family member also from Westboro that Terry came to us. Terry received her nursing degree in Burlington, Vermont, and continued on with her education, earning a Ph.D. from Boston

College in psychiatric nursing. Terry was an active member of the American Nursing Association, belonged to many professional organizations, and still found time to be on the board of the Foothills Theatre as well as teach at Newton-Wellesley Hospital. Terry is a vibrant and compassionate woman with twinkling eyes and a welcoming smile. She enjoys listening to music, particularly Irish music, as Ireland was one of her favorite places to visit. She is an active participant in all of the programs offered and the contributions of her wit and intelligence are greatly appreciated. We are thrilled to welcome Terry into the Compass at Hopkinton community!

ASSOCIATE PROFILE

Joyce Courtemanche has been a Certified Nursing Assistant for three years now, and she finds that interaction with the residents brings her a great deal of pleasure. Joyce enjoys hearing their stories from the past, and learning about how different things were “in the old days.” Joyce can often be seen laughing merrily with residents! In her free time, Joyce enjoys walks, cleaning, and reading. She also appreciates time spent socializing with friends. Joyce is currently attending classes to become a surgical technician. We are proud to have Joyce as part of our team!
