RESIDENT PROFILE

Evelyn West was born in Arlington and went to Chandler College, where she pursued secretarial studies. She worked at the State House as a secretary for a time, and then was a library trustee, a job she loved because she was such a bookworm. She loves Scrabble and is the first person we talk to about etiquette questions because she always knows the answer. "Evie," as we affectionately call her, loves her four children very much: John, Jason, Lisa and Chrissie. A little fun fact is that Evie "claims" to be the famous Burlesque performer with whom she shares a name. We haven't been able to prove her otherwise, and she certainly looked the part with her green boa on St. Patrick's Day (*above*)!

SANTA PARADE

Residents and associates gathered to enjoy the annual Santa parade which passes by the Methuen Village community. Clockwise, from top left: Marie Dello Russo bundled up!; Vivian Clark, Pearl Dube, and Henry Holozubiec watch the parade; Resident Care Director Joan MacLauchlan, Claire Berry, and Betty Stafford enjoy the festivities.

ASSOCIATE OF THE MONTH

Fior Cepeda received the Associate of the Month award from Maintenance Director **Ernesto Brens** (the two are pictured at left). Fior is best known for doing her job with a smile on her face. She goes above and beyond to help everyone. Congratulations, Fior, for a job well done!

FESTIVAL OF TREES

Methuen Village placed 2nd for “Most Traditional Tree” in the annual Festival of Trees! Our tree, entitled, “In Your Neighborhood,” featured a vintage homes theme and earned a Waterford Crystal conifer trophy.

HONORING OUR VETERANS

At Methuen Village, we have 35 veterans and numerous military spouses. In honor of Veterans’ Day, the United States Marine Corps “Honorable Few” Riding Platoon came to visit!
