RESIDENT PROFILE

Although **Francis M. (Mike) Hailey** was born in Radford, Virginia, his family (including one brother and one sister) lived in Germany, Austria, and Quincy, Massachusetts, because their father was in the Army. Mike graduated from Quincy High School and studied radiology technology at Northeastern University. He then joined the Navy, serving on the hospital ship the USNS Comfort as a radiology technician. Mike remained in the Navy Reserves for 15 years, retiring as chief from the South Weymouth Naval Air Station. He then went on to work as a CAT scan radiology technician in the Emergency Room at Massachusetts General Hospital. He worked the second shift—11:00 P.M. to 7:00 A.M.—for 30 years until his retirement. Mike was married to Susan Malaguti for 35 happy years. They raised three sons in Brockton: Paul, who is a mechanical engineer; Brian, who is a director of physical therapy; and Jon, who works in the pharmaceutical industry. Mike is very proud of them and his seven grandchildren! Mike says Nashoba Park is a comfortable place to live and he is glad to be near his family.
