

POCASSET POST

July 2009

*Welcome,
New Resident!*

Sprague Spooner

Mary McElhaney was born October 1, 1930 in Corning, New York. Mary is the middle child in a family of five, with three sisters and one brother. She grew up in Corning, where she graduated from Northside High School. Mary started her career as an accountant for Johnson and Johnson, but switched to the medical field, where she found that her passion was working in hospitals.

Mary says she enjoys being part of a community, while still being able to do what she wants and enjoys.

Mary spent her life moving around, working and living in many different places including New York, Washington D.C., Connecticut, New Jersey, Colorado, and Italy. She cherished her convenient work schedule at a hospital in Italy, and took advantage of her free time by traveling throughout Italy.

RESIDENT PROFILE

Mary has 15 nieces and nephews and 25 grand nieces and nephews. Mary loves reading and relaxing but makes time to attend various activities and entertainment at CCSR.

Cape Harmony

Everett Gallego enjoyed chatting with members of a capella group Cape Harmony when the group came to perform for residents.

Housekeeper **Susanne Patton** was born in Stuttgart, Germany, on May 3, 1963. After high school, she went to a vocational school for office management and then worked at the largest numismatics and coin collection company in Europe.

Susanne moved to the United States in December of 1985 and married her husband, William, in 1987. Shortly after their daughter was born in 1988, William was sent to Germany to be stationed in a Pershing unit for three years. After the first gulf war began, he got out of active duty and switched to the Army National Guard. William currently is a Sandwich police officer but was sent to Iraq this February and will be there until February of 2010. We thank him for his service to our country and look forward to his safe return.

Susanne's first job after she moved back to the states was at the Animal Inn, a boarding kennel, as a grooming assistant for cats and dogs. She enjoys adopting and rehabilitating cats and dogs and currently owns three dogs: a Rottweiler, a Brittany Spaniel, and a Maltese Chihuahua mix. She also enjoys boating, swimming, fishing, and just walking on the beach. In December of 2008, Susanne's first grandchild, Aislynn, was born!
