WALK AND ROLL CLUB

Each participant receives a membership card and a pedometer. The residents then keep track of how many steps they walk each week. At the end of the month, whoever has the highest amount of steps on their pedometer receives a prize.

PHOTOGRAPHY CLUB

Participants receive a disposable camera and their very own scrapbook. Each week, we meet outside and walk around Standish Village taking pictures. The following week, the residents decorate and add new photos to their scrapbooks.

NEW RESIDENT PROFILES

Helen Hurley was born in South Boston in April of 1920. She married her husband, Daniel, and had six children, two girls and four boys. Helen is now blessed with many grandchildren!

Helen used to be a childcare worker, which definitely played a role in the way she cared for children. Nowadays, you can usually find Helen playing a late-night Bingo game with all of her friends, or sitting in the Standish Room, reading a good book. Welcome to Standish Village, Helen!

Mary Alholm was born in Boston, married her husband, Andrew, and had a son and a daughter. Mary helped to run her husband's company. Mary loves to spend time by the water, and taking trips to sightsee. Since moving to Standish Village, Mary has played Bingo regularly, participates in chair exercise, and has already won in Price Is Right! Mary is always socializing, but occasionally, you can find her reading a good romance novel by Danielle Steele. Welcome to Standish Village, Mary!

ASSOCIATE PROFILES

Resident Care Director **Susie Seitzman** was born in Milton, and grew up in Quincy. She has two children, Jenny and Jillian, and three grandchildren, Evelyn, Ronan, and Gavin. Susie began working at Standish Village back in March as the wellness nurse. In her spare time, she enjoys spending time with her family, her Chihuahua, Beanie, and shopping.

Resident Care Directors Susie Seitzman (left) and Marilyn Connolly (right) both say that they enjoy the "busyness" of the building. They love working with the residents and agree that every day is fun and exciting!

Resident Care Director **Marilyn Connolly** was born in Boston and now lives in Quincy. She and her husband, John, have two children, Michael and Melissa. They also have a grandson, Michael Aiden. Marilyn has worked for Senior Living Residences for the past five years, but has worked at Standish Village for the past three years.
