**Jeanne DePasquale** was born Mary Jean Spirito, and she grew up in East Cambridge. She lived on 7<sup>th</sup> Street and Thorndike with her parents Dominic and Anna, two brothers, and two sisters. Jeanne went to Cambridge Public Schools and after graduation from Cambridge High & Latin attended Wheelock

*Jeanne says that she loves living at Neville Place because it is such a happy place!*

College for approximately a year and a half, where she began to study nursing. When Jeanne left Wheelock, she got a job at Cambridge Hospital, and while working there, Jeanne began a program that brought local high school students in to expose them to the various job possibilities within the hospital.

Jeanne met her husband, Louis, at a dance in Boston's North End and they married within two years. Jeanne stayed home to raise her family and to take care of her husband. Jeanne moved to a condominium after her husband's death several years ago and she came to Neville Place last year.

Jeanne is always on the go! She is out every weekend with her family and often with one of the many

friends who drop in to take

her for coffee, lunch, or shopping, which is one of Jeanne's favorite pastimes. Jeanne is full of energy and you never find her staying still for too long!

## ANIMAL WORLD EXPERIENCE

visits Neville Place

Matt from Animal World Experience made a visit to Neville Place on March 4<sup>th</sup>, and wowed us with several animals. We were introduced to a Bearded Dragon lizard from Australia, a chinchilla, a guinea pig, a rabbit, a corn snake and a tree frog from South America. As you can see from the pictures, we were all fascinated by this group of animals!

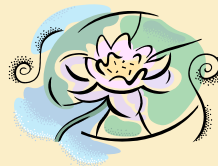

Top to Bottom:  
*Susie Mennis* visits with a rabbit; *Joe Ahearn* takes a look at a corn snake; *Rose Seron* and *Ruth Perlstein* pet a chinchilla; *Rose McMurtry* gets to touch the Bearded Dragon.

## Happy April Birthday!

## “REFLECTIONS ON THE POND” ..REFLECTIONS ON THE POND..

The Fresh Pond Art Show was a huge success! More than fifty pieces of art were displayed on the walls of our Garden Floor. On Friday evening, a reception was held and the gallery was filled with artists and friends, as well as many Neville Place residents.

Artists and friends filled the hallways of Neville Place for “Reflections on the Pond”, including (left, top) Resident **John Muyskens** and (left, bottom) Social Program Director **Sue Bowdridge**, and Residents **Betty** and **Ray Doyle**.
