Why Work for Cornerstone?

**Rewarding Work • Homelike Environment
Work / Life Balance • Supportive Co-Workers**

We are proud of the work environment we cultivate that encourages input and creative ideas from all associates. We truly are a family, and each associate is treated as a valued and respected professional.

Leading with the *Right Values*

Working in the assisted living field requires compassion and integrity. All of our associates follow what we call our "Right Values":

- Resident Quality of Life
- Valued Associates
- Integrity
- Innovation
- Discovery

Our associates enjoy an exceptional reputation among seniors, their families and professionals for our commitment to providing top-notch care, developing innovative programs, and maintaining the highest of industry standards.

Cornerstone at Hampton is managed by Senior Living Residences (SLR), a New England-based company. SLR's assisted living and memory support communities have been enriching the lives of seniors and their families for three decades. SLR is acclaimed for our forward-thinking, pace-setting innovations in the world of senior care that include the renowned **Compass Memory Support**, award-winning **Brain Healthy Cooking** program and stigma-shattering **Dementia Friendly Communities Initiative** that is quickly spreading across our area.

We enjoy an exceptional reputation among families and professionals for providing top-notch care, creating innovative programs that enhance quality of life for residents, and for maintaining the highest of industry standards. It is our associates' commitment to our "Right Values" philosophy that established and maintains our position of excellence, respect and trustworthiness in the senior housing industry.
